

Call for Applications: Travel Support Grants

Water Security and Climate Change Conference 2025

Tashkent, Uzbekistan / 8 – 10 October 2025

We are pleased to announce the opening of travel support grants for students who wish to participate in the upcoming Water Security and Climate Change Conference 2025 (WSCC2025), which will take place in Tashkent, Uzbekistan.

These grants are funded by the Anton & Petra Ehrmann Stiftung Research Training group "Water – People – Agriculture" and aim to support early-career researchers in presenting their work, building professional networks, and engaging with current developments in the field of water security and climate change.

Who can apply?

- Master's and PhD students
- Research is closely related to Theme B of WSCC2025: "Water for Food and Environment Systems"
- Applicants must commit to attending the conference in person in Tashkent, Uzbekistan

Support provided

- Travel expenses
- Accommodation
- Conference registration fees
- Up to three students will be selected for funding

How to apply

Please send the following documents as a single PDF file to van.nguyen@uni-hohenheim.de with the subject line: Application – WSCC2025:

1. Motivation letter (max. one page) – briefly describe your academic background, motivation for attending the conference, and how it relates to your current research.
2. Curriculum Vitae (CV) (max. 2 pages)
3. Abstract

Please refer to the attached official call for abstracts for submission guidelines.

Submission deadline: 1 June 2025

Applications will be reviewed by a selection committee, and successful applicants will be notified shortly after the deadline.
